

# Arranging care shouldn't have to be overwhelming. That's why we're with you, every step of the way.

Contact your local Care Consultant by phone or email.

Schedule a visit at a convenient time to discuss your needs and learn about our care packages.

Work with a qualified care manager to create a bespoke care plan that fits your individual needs and lifestyle preferences.

A carer will be selected from our carefully curated shortlist based on your care plan.

Your local Care Consultant will return with your carer to introduce them to you in person.

Enjoy the benefits of live-in care and companionship in the comfort of your own home.

## Home. There's no place like it.

And chances are, there's no need to give it up, either.

As live-in care specialists, we give people the option to remain at home, with 24/7 person-centred care and support.

Live-in care is a genuine, affordable alternative to residential care. Our care packages start at £1050 per week and can range from companionship to complex care needs.
